CEO REMARKS 2024 Annual Report

Dear Members,

Welcome to the 2025 Riverways Federal Credit Union Annual Meeting! We greatly appreciate you taking the time to join us today. As we reflect on the past year, we are proud to share the incredible progress and success that RFCU experienced in 2024. Thanks to your continued support and involvement, it was truly a banner year for our credit union.

At the heart of RFCU's mission is the principle of people helping people. This guiding principle has remained at the core of everything we do, and 2024 proved that when we all work together, our collective efforts yield remarkable results. This year, I want to take a moment to thank the leadership of our volunteer board, the supervisory committee, and the dedicated staff, whose commitment and execution of our business plan made it all possible.

In 2024, RFCU experienced membership growth of nearly 6%, which is a testament to the trust and value our members place in us. To put this into perspective, the average membership growth rate among our peers is just under 1% annually. This strong growth helped fuel a remarkable increase in our assets, which grew by \$14 million during the year—a truly amazing achievement!

This growth would not have been possible without a continued focus on meeting local lending needs. RFCU maintained a 95% loan-to-deposit ratio which indicates 95 cents of every dollar deposited was utilized locally in our membership for autos, homes, businesses and farms. Keeping your checking and savings with RFCU has a direct and positive impact on local economies, and together, we help local members achieve their dreams.

In 2024, RFCU also had the privilege of partnering with another not-for-profit organization in the healthcare sector. Four Rivers Community Health Center (FRCHC) acquired a new location in Cuba, Missouri, and generously offered RFCU the opportunity to lease space at this new facility. This partnership is truly an exciting development, as it allows us to work side-by-side with FRCHC to make a positive impact on the lives of Crawford County residents. We look forward to seeing the great work that will come from this collaboration.

This year, we also celebrate the 25th anniversary of our Rolla location. It is truly humbling to look back on the visionaries who obtained our community charter, purchased the land, and built our home office. From our humble beginnings, serving only federal employees, to the expansion of our community charter to serve Phelps County, and later the addition of Crawford, Maries, and Dent counties, we now proudly serve a 27-county field of membership, the largest geographic field of membership of any Missouri credit union.

This growth would not have been possible without the trust and support of all of you, our member/owners. You have been the driving force behind RFCU's success, and for that, we are deeply grateful.

As we move into 2025, we remain committed to our mission of improving the financial well-being of our members and strengthening the communities we serve. With your continued trust and support, we are confident that RFCU will continue to grow and thrive, making a meaningful impact in the lives of our members for many years to come.

Thank you again for your presence and participation today. Your engagement and commitment to RFCU are what make this credit union so special.

Together, we make a difference.

Respectfully,

Scott Shults

CEO, Riverways Federal Credit Union

Welcome, everyone, to the 2025 Annual Meeting of Riverways Federal Credit Union.

2023 proved to be an unpredictable year. Riverways Federal Credit Union successfully dealt with rising inflation and rising interest rates and proved resilient throughout. There are many positive things that happened this past year that I want to share with you.

As of December 2024, we have seen membership grow from 9,011 members to 9,463 members: a net increase of 452 members (4.78%). I am excited to announce that Riverways in October 2024 opened our third branch in Cuba, Missouri. The new branch is off to a great start spurring member growth and loan growth in Crawford County.
