**Skip your November or December payment*
Make Christmas Merrier this Holiday Season!**

* The following loans are not eligible for Skip-A-Payment: mortgages, HELOCs, and revolving lines of credit. You may skip either your November or December 2020 payment. A \$35 processing fee for each consumer loan payment you choose to skip will be deducted from your Riverways Saving, Checking, and Money Market, Christmas club, or Service Club account. Interest will continue to accrue during the month you choose to skip and may result in higher total finance charges on your loan(s). Skipping payments will extend the term(s) of your loan(s). Your Riverways membership and accounts must be in good standing. This deferral is subject to credit union approval. The Skip-A-Payment fee is non-refundable and is assessed at the time you apply for the skipped payment. Only one skipped payment is allowed per qualifying loan for this promotion. All owner(s) must sign for the Skip-A-Payment on the loan(s). If your loan payment (ACH payment) is being sent from another financial institution, you must notify that institution of the planned skipped payment in order to prevent a transfer of funds to your Riverways Federal Credit Union loan(s).

Fill out this form and bring it by your local Riverways branch.
